

New Mexico Ancestors
New Mexico Genealogical Society

New Mexico Ancestors is a file of families who settled in New Mexico prior to statehood in 1912. A full copy of your entry will be placed in the Special Collections Branch of the Albuquerque Public Library. A summary will be published in the **New Mexico Genealogist** as space permits. Surnames on each form are indexed at the library for access to the information by others researching early New Mexico settlers. Membership in the NMGS is not a requirement for this service, and you are not limited in the number of entries you may wish to submit.

Although your information should be as complete as possible, it is of value to share whatever limited information is available at present. Please send to the attention of the New Mexico Ancestors Chair at the address below.
